

Warehouse Operative / Reach and Counterbalance Truck Driver

Calleva is a European leader in the innovation and manufacture of specialist nutritional products and food ingredients. Based in North Petherton, Bridgwater we are looking for people with enthusiasm, excellent communication skills and a will to progress to help us achieve our business goals.

Job Purpose

We have an immediate vacancy for a Reach and Counterbalance Forklift Driver to operate in our warehouse. Reporting to the Production Manager this role will involve Reach and Counterbalance forklift driving and providing a supply of goods in and out of the production facility.

This role requires an individual with warehouse and Reach and Counterbalance Forklift experience with a can-do and flexible attitude.

You will be responsible for:

- Moving stock around the warehouse using Reach and Counterbalance trucks as required
- Picking of raw materials for the production facility (including lifting and stacking 25Kg sacks)
- Goods receiving and inspection of incoming materials and placing into locations
- Palletising, wrapping, loading and dispatching orders
- Efficiently organising and maintaining a manual warehouse system
- Stock taking
- Monitoring stock levels and liaising closely with the Purchasing department

The person

The ideal candidates for this role will be:

- Experienced in operating a Reach and Counterbalance FLT in a warehouse environment with a valid licence
- Experience working with a manual warehouse system (not VOX)
- Able to work accurately and efficiently with a strong quality focus
- This role can be physically demanding and involve heavy lifting and applicants should be capable and comfortable with this
- Ability to learn quickly and work on own initiative
- Self-motivated and target driven with the ability to work independently
- Adhering to Health & Safety procedures and good working practices
- Awareness of Food safety and Quality Management systems would be an advantage

Salary: Negotiable dependent upon experience
